PRIVATE BILLS

Excerpts From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration of affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before

the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or

vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the

capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

APPLICATION FOR AN ACT

The Society of Notaries Public
of British Columbia

WHEREAS The Society of Notaries Public of British Columbia was incorporated under the *Societies Act* on the 2nd day of November 1926 and is the regulatory body of the notarial profession in British Columbia:

And whereas the existing *Notaries Act* requires that upon the death or retirement of a notary public no new notary public can be enrolled to replace a deceased or retired notary without the need for lengthy and expensive proceedings in the Supreme Court of British Columbia in which the applicant for enrolment must prove the existence of a "public need" for such enrolment:

And whereas the said Society is desirous of ensuring the continued availability to the public of inexpensive and readily available notarial services throughout British Columbia:

And whereas it is desired to provide greater public protection by making more adequate provisions for reimbursing members of the public for pecuniary losses resulting from misappropriation or wrongful conversion of funds and to provide more effective procedures for the discipline of members of the notarial profession.

Notice is hereby given that an application will be made to the Legislative Assembly of the Province of British Columbia at its next session for an Act to repeal the existing *Notaries Act*, which Act shall contain provisions summarized as follows:

- (1) To provide for the establishment throughout the Province of notarial districts and to establish the number of notaries public entitled to practise in such districts.
- (2) To provide for enrolment as notaries public all fit persons found qualified upon examination not in excess of the number of notaries provided for each notarial district and without a requirement for proof of public need in any such case.
- (3) To define more accurately the rights and powers of notaries public, to increase the protection presently available to the public under the said Society's special fund and to strengthen the disciplinary powers of the said Society over its members.
